

# PayZU

**Easy & fast way of becoming millionaire**

# Who We Are?

We are a Web3 based affiliate program developed with passion to provide genuine, fast and transparent way of earning without any human interventions in the site. Our Web3 program is smart-contract(s) based and can't be reversed or changed insuring your incentives are safe, sure and not hampered!

# What is Affiliate Marketing?

Affiliate marketing is an excellent opportunity to earn passive income by promoting products or services you trust. It's a low-risk, high-reward model that allows flexibility and creative freedom. By sharing valuable recommendations with your audience, you build credibility and lasting relationships. As your influence grows, so does your earning potential, making affiliate marketing a sustainable and rewarding way to achieve financial independence and personal fulfilment.

# What is Market Knight?

Market Knight Is first ever AI-powered and fully automated crypto market bot which puts buy or sell orders based on signals provided by our AI models we trained using data of last 30 years. We use our AI, as well as satellite powered mechanism to ensure high profitability!\*
